

SPORTS BROADCASTING PROGRAM

BROADCAST REAL GAMES!

Ever wonder what it would be like to do play-by-play, color commentating or producing for live sports broadcasts? Well here is your chance to learn how...hands on!

Join our program that will be held at various sports parks and venues in north Orange County where you will call real high-school or youth sporting events to practice your skills.

WHAT IS COVERED DURING THE SESSIONS/GAMES:

- Group and one-on-one instruction
- Placement on a broadcasting team/s of 2 to 3 individuals (have a team in mind...no problem).
- Delivering a script
- Interviews
- Writing/note-taking, info-gathering skills
- Technical skills (broadcasting equipment is provided)
- On-air performing (Guaranteed 3 games; additional games at additional cost)
- Live broadcasting over the internet, archived games so you can listen to yourself later and get feedback (Schedule TBA)

Each student will arrive 2 hours before scheduled game time to learn and prepare for broadcasting with our instructors. In other words, you will get 3 sessions at approximately 3-4 hours each depending on length of game. T-shirts for campers will be provided and shall be worn at the games. Games may be baseball, softball, basketball, football or soccer (subject to schedule preference and availability).
